Beyond Passion...

Pertama, cari tahu  
definisi passion.  
Kita selalu dengar :  
"Follow your  
passion...."

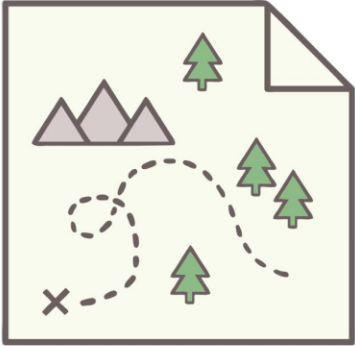

A willingness to  
suffer for what  
you love...

Passion is an  
activity ...

Passion to  
a conscious decision

## Three Steps

1. What is your passion?
2. Find your passion
3. Do your passion

The real crux of  
passion is  
commitment

Formula:

1. Passion - Commitment
2. Your Strengths - Your Passion
3. Explore different things
4. Be sure to enjoy the journey!

Thank You
